Subject DP&L Status

History:

This message has been replied to.

Karen,

I was able to get Randall Griffin of DP&L on the phone today. He indicated that we will receive a letter from them early next week regarding our access proposal. I will advise you of the letter contents as soon as I receive it. He was waiting for some input on the letter from their inside environmental person and did not wish to discuss it in detail with me just yet.

Thanks,

Ken
